Not all Windows Vista features are available for use on all Windows Vista Capable PCs. All Windows Vista Capable PCs will run the core experiences of Windows Vista, such as innovations in organizing and finding information, security and reliability. Some features available in premium editions of Windows Vista—like the new Windows Aero™ user interface—require advanced or additional hardware. Check www.windowsvista.com/getready for details.

* Prices, specifications, availability and terms of offers may change without notice. Despite our best efforts, a small number of items may contain pricing, typography, or photography errors. Correct prices and promotions are validated at the time your order is placed. Please note these policies apply only to products sold by the HP Home & Home Office Store; reseller offers may vary.

** Percentage shows savings after applicable rebates.

† On your HP Home & Home Office Store credit card, subject to credit approval. Based only on the purchase price of this item. Taxes, shipping costs, additional purchases and other fees are not included in the monthly payment amount. A higher revised monthly payment amount will be calculated at checkout based on shipping preferences and zip code information.

§ For hard drives, GB=1 billion bytes. Actual formatted capacity is less. A portion of hard drive is reserved for system recovery software—for notebooks, up to: 8GB (XP and XP Pro), 9GB (Vista), 12GB (MCE); for desktops, up to: 10GB (Vista, XP, XP Pro), 12GB (MCE).

§§ Up to 1GB may not be available with 32-bit operating systems due to system resource requirements.

¶ In-home warranty is available only on select customizable HP desktop PCs. Need for in-home service is determined by HP support representative. Customer may be required to run system self-test programs or correct reported faults by following advice given over phone. On-site services provided only if issue can't be corrected remotely. Service not available holidays and weekends.
